

# VETERANS: Did your college or training program mislead you or lie to you?

- Did you pay more—out of pocket, or in loans—than your school promised?
- Did your school promise you'd get a job in your field of study, but you haven't?
- Did your school promise you'd earn a good salary, but you haven't?
- Did your school promise to help you get a job, but didn't help?
- Did your school promise you could transfer your credits, but you couldn't?
- Did your school promise you special support for veterans, but failed to deliver?
- Did your school pursue you for debts you don't think you owe?
- Did your school close while you were attending?
